

2014 Neurotherapeutics Course Applicants
Alpha by Name

Pair	Last Name	First Name	Desig.	Institution	Title	Department	Email	Disease	Mentors
A	Altman	Ryan	PhD	University of Kansas	Assistant Professor	Medicinal Chemistry Department	raaltman@ku.edu	Pain	Douglas Auld and James Barrow
A	Ko	Mei-Chuan	PhD	Wake Forest University School of Medicine	Professor	Physiology & Pharmacology Department	mko@wakehealth.edu	Pain	
B	Anastasio	Noelle	PhD	University of Texas Medical Branch	Postdoctoral Fellow	Center for Addiction Research	ncanasta@utmb.edu	Addiction	
B	Torregrossa	Mary	PhD	University of Pittsburgh	Assistant Professor	Department of Psychiatry	torregrossa@upmc.edu	Addiction	
C	Hartley	Rachel	PhD	University of Texas Medical Branch	Postdoctoral Fellow	Center for Addiction Research	rmhartle@utmb.edu	Cocaine Addiction	William Bracken and Sam Enna
C	Li	Jun-Xu	PhD	University at Buffalo, SUNY	Assistant Professor	Pharmacology & Toxicology Department	junxuli@buffalo.edu	Substance Abuse	
D	Barker-Haliski	Melissa	PhD	University of Utah	Senior Research Analyst	Anticonvulsant Drug Development Program	melissa.barker@utah.edu	Alzheimer's	
D	Marriott	Karla-Sue	PhD	Savannah State University	Associate Professor	Chemistry & Forensic Science Department	marriottk@savannahstate.edu	Alzheimer's	
E	Huang	Yangzhong	MD, PhD	Duke University Medical Center	Senior Research Associate	Department of Neurobiology	huang@neuro.duke.edu	Epilepsy	William Janzen and Craig Lindsley
