These are the mentor teams you will meet with Monday during the Meet with Mentors lunch. Meet in the breakout room listed for your group. During the Round Robin exercises, you will have a chance to meet with all of the other Mentors by rotating in 25 minute blocks. You will also meet with other participants - we do our best to mix up the groups as well. On Thursday, you will return to your original teams in your original breakout rooms (shown above) to do your presentations.
